

## Equality, Diversity and Inclusion Policy

### 1. Introduction

IPEM recognises and values the importance of diversity in its employees and membership. We actively promote the richness that diversity brings and take the commitment to equal opportunities seriously. We base our relationships with members, employees, partners and other stakeholders on mutual respect and appreciation of individual differences.

IPEM opposes discrimination or harassment on the grounds of age, disability, gender reassignment, marriage and civil partnerships, pregnancy and maternity, race, religion and belief, sex and sexual orientation. These characteristics are protected under the Equality Act 2010.
