

BMW GROUP EXPENSE GUIDE

Please see the below regulations that you must follow when claiming expenses whilst working for BMW Group.

Note that not all Temporary Workers or Agency Partners are entitled to claim expenses, and all expenses must be pre-approved by your BMW Group line manager in writing. Once you have approval, please inform the Candidate Care Team (BMWGroupCCT@hays.com) so that they can request for expenses to be enabled on your placement.

It is your responsibility to ensure that you adhere to time scales and regulations. Expense claims are submitted on a weekly basis on 3SS so please ensure you include all relevant expenses, details, and receipts for that week at the point of submission, to then be reviewed and approved by your BMW Group line manager.

Please note that if you are a Rolls-Royce Motor Cars Agency Partner, there will be a secondary approval actioned by the relevant Rolls-Royce financial controller.

MILEAGE PRIVATE CAR USE ONLY

Mileage Reimbursement Rates will be reviewed April each year unless significant changes to the fuel efficiency of current BMW/MINI vehicles/price fuel occur (+/- 10%).

For private car* usage the following millage rates can be used:

UK	IRE
£0.45 per mile	€0.50 per kilometre

Mileage claims apply when travelling outside of your usual journey to your work site location, and so the miles in your usual journey should be deducted from the total mileage being claimed.

* The use of private vehicles on company business should only be used where no other pool car is available. However, if the appropriate line manager has agreed that the Associate may use their private vehicle on company business, it is the associate's responsibility to ensure that the private vehicle has appropriate private motor insurance to cover business use.

If you are required to drive as part of your assignment, the employment business and the client require that you agree that:

- You have a valid driver's licence for the vehicle used
- You maintain the vehicle in accordance with the manufacturer's guidelines
- You possess insurance to include business use for the vehicle
- You confirm you can meet the DVLA's standards of vision for driving
- The vehicle holds a valid MOT certificate (if the vehicle is over 3 years old)

FLIGHTS / HOTEL BOOKING

If accommodation is needed for any business area this can be booked via the BMW Group travel provider although hotel costs are to be settled by yourself and reclaimed. Flight costs are billed direct to the Company. Before any bookings are made, please ensure that you have the following:

- Written confirmation from manager that you can book flights / accommodation
- Full Passport name
- Full DOB
- UK Cost centre
- Flight / travel / hotel requirements

Please email this information to: bmw.uk@amexgbt.com. To receive the corporate hotel rate, BMW / Rolls-Royce ID would need to be shown when checking in.
