Headteacher Candidate Pack

Required for September 2024

Welcome

Welcome from the CEO

Dear applicant,

Thank you for registering your interest in joining Pontefract Academies Trust. I hope the information provided will assist you with the application process for this career defining role as Headteacher of The King's School.

At this time, we are re-opening the recruitment for our Headteacher position, reflecting our commitment to finding the perfect leader who aligns with The King's School's values and vision. While the previous searches have been thorough and competitive, we believe in the significance of securing an individual who not only possesses exceptional leadership qualities but also resonates with the character of the school.

The Headteacher position at The King's School is advertised at an important time for the Trust and the school. Our family of schools are in good shape with primary schools hitting the top 5% for key stage combined outcomes and both secondary schools being in the top 15% for progress. This has not happened overnight and the Trust transformation over the last five years has been due to a planned culture and change management programme. The King's School was graded good by Ofsted in October 2022. It is in strong place as the school embarks on the next phase of its improvement journey.

The Trust has moved forward at some pace since 2018. The turnaround in performance of all our schools and the development of a culturally aligned organisation has seen the Trust develop a strong reputation locally and regionally. The Trust has a strong and growing reputation for school improvement across the region, is financially solid and sustainable. All our schools collaborate strongly with a finely tuned school improvement model.

So, what are we looking for in our school leaders? Firstly, we wish to appoint positive people who want to make a difference. We wish to appoint people that understand and believe in our guiding principles and values. Of course, it is essential that we get the right people on board – people that are not precious or territorial. We want to hear from flexible people, who with 100% backing and support, will get their hands dirty with exciting school improvement challenges.

As a Trust with a great family of schools serving Pontefract, we are proud of the work we do. The moral dimension drives us. We also understand that there is more to do to realise our vision and we are humble enough to accept we do not always get everything right and are keen to learn and develop as an organisation.

We believe that the ideal candidate for this Headteacher position is out there, waiting to join our dynamic team and make a lasting impact on our school community. We eagerly welcome passionate individuals to apply for this pivotal role, as we strive to find the exceptional leader who will guide our school to new heights.

Julian Appleyard OBE CEO

About the Trust.

Achievement Without Excuses.

We have an unwavering focus on achievement. This is paramount so that all of our children and young people enjoy greater life chances.

We take responsibility for ensuring that they succeed. We own our own performance and do not rest on our laurels or seek to blame others.

Excellence As Standard.

We set high standards. "Good enough" is simply not. We do not accept second best from our students or ourselves.

The Trust aims to be a highly reliable school improvement organisation that is disciplined in its approach to improving performance. A Trust with clear plans and simple and precisely executed systems that not only develop and sustain excellent performance, but never stifle individual flair.

Stronger As One.

We take collective responsibility for each other and the results of all of our children and young people. We enjoy sharing our success as a Trust while recognising the strengths of individuals and each school. To this end, collective accountability is rooted in a "if one fails we all fail" mentality.

As a family of schools we collaborate with each other, challenge each other and share best practice. We do not let competition get in the way of our desire to get the best outcomes for all.

Our Mission.

Running top-quality, high-achieving schools that give our children and young people the chance in life they deserve.

Our Vision.

Where every child and young person makes outstanding progress.

Our People Matter.

We know that our people make a difference to the lives of our 3-16-year-olds. We want to make our schools places where great teachers want to teach, lead and build a career. Investment in the recruitment, development and retention of the best people is a top priority.

We aim to provide professional work environments where our people have the support and tools to do a great job and push our children and young people to scale new heights in a safe and secure environment.

Students Come

First.

Our schools are run for the benefit of children and young people, not the ease of adults. Their achievement comes first and staff in schools and the central Trust office work to this end.

The Trust aims to keep low priority tasks away from front line teachers and leaders so that they can focus explicitly on our core business of teaching and learning.

Our Schools.

The Pontefract Academies Trust family includes a range of schools across Pontefract. We provide education from nursery, through primary and secondary.

Each school is individual and responds to the needs of its local community to provide the best possible opportunity for its young people. However, being part of a Multi Academy Trust means each school can benefit from shared resources and systems that allow collaboration for the benefit of our children and young people.
